

WSO Convention 2018 is the perfect opportunity for your company to discover the newest products and trends influencing Stevia Market.

The International Fair on New Technologies and Products in Stevia is the perfect place where start-ups, emerging companies and Stevia leading companies will be displaying cutting edge technologies for stevia extraction, stevia formulation and of course finish products. Be at the forefront of this constantly evolving discipline.

Meet the Experts and Discover the Latest Research

Benefit from presenting your innovations and products to experts as well as prospective clients:

-

Join key opinion leaders and fellow inventors as they discuss the latest R&D findings.

-

Gain access to leading companies - and investors interested in funding the next major invention in the field.

-

Stretch your investment further and gain unmatched exposure to the largest buying audience in the industry

-

Introduce your design or product to entrepreneurs, whose venture capital can turn your bright idea into a reality.

-

Network with inventors and scientists from all over the world.

-

Maximize exposure for products and technologies by presenting them to a global audience
