

Dr. Maria Margarida Ribeiro, from the Polytechnic Institute of Castelo Branco, Portugal, will be giving a talk about "**What can Molecular and Biochemical Markers Tell Us About a *Stevia rebaudiana***

**Genotypes' Collection?**

" in the

**10th World Convention on Stevia 2021**

During the session, Dr. Ribeiro will explain how to appropriately genotype *S. rebaudiana* accessions grown in the same plot using microsatellite markers, including two steviol glycosides biosynthesis functionally involved markers. The results of fingerprinting and possible perspectives concerning these results will be discussed.

**Stevia Tasteful 2021**

November 18-19, 2021 - Lisbon and Online
